The Secret Life of Pronouns: James Pennebaker at TEDxAustin

<https://www.youtube.com/watch?v=PGsQwAu3PzU>

I, You, Me, We, Us -- small words with the tremendous ability to illuminate who we are and how we're feeling. Chair of the Department of Psychology at one of the largest universities in the country, Jamie delves into our use of language and how it can reflect -- and reshape -- our understanding of ourselves, our interactions with others and our underlying feelings of strength and empowerment.

The above TEDTalk is a really good opportunity to explore pronouns. Please watch and summarise your thoughts.
