

### Applied Health and Social Care *Activity 2*

#### Health and Social Care Professionals

In Unit 2, working in Health and Social Care, you will be learning about the responsibilities of 11 professionals who work in the Health and Social Care Sector. The professionals are:

- GP
- Specialist doctor
- Nurse
- Midwife
- Occupational Therapist
- Healthcare Assistant
- Youth Worker
- Social Worker
- Care Assistant
- Care Manager
- Support Worker

Select 3 of the above professionals and complete the following table:

Professional	Role	Responsibilities (x3)	Skills needed (x3)	Where they work
