A Level Spanish *Activity 2*

One of the benefits of studying a Modern Foreign Language is that travelling to another country suddenly becomes much easier! Spanish is the world's second most populous language; it's not only Spain where you will find native Spanish speakers! Barcelona is one of Europe's most popular tourist cities, with almost 10 million visitors from across the globe visiting each year. Watch the following Spanish YouTube clip of Barcelona to give you a taste of what a trip might look like:

Do some research and make a list of the things in Spanish that you'd like to see in Barcelona and explain why – include a travel itinerary for a four-night trip, thinking about how you will travel around the city, which landmarks you would like to visit and which restaurants you would like to dine in.

Extension: to extend on this task, you could look at popular concerns about Barcelona's tourism and discuss how you could use your trip to find out more about these reported issues

E.g., people of Barcelona feel that there are too many tourists, I'd like to see for myself if this is true

La gente de Barcelona siente que hay demasiados turistas, me gustaría ver con mis propios ojos si esto sí es el caso
