

## A Level Textile Design – Activity 2

A designer should always look for inspiration by exploring the work of other designers. We are often influenced by contemporary Fashion Designers throughout A Level Textile Design.

Matty Boven is a designer newly graduated and local to Yorkshire. Please look at his website below and choose some key garments from his collection to analyse and create designs of your own based on his influence.

As part of the A level Textile Design course, you will have the opportunity to participate in a range of trips and visits ranging from.

- UCAS fair in Manchester
- Graduate Fashion Show in London
- 3 days residential in Venice

Whilst on these trips we visit galleries and exhibitions to influence our design work. Please visit the link below for a virtual fashion design exhibition and create a report on what you like. You can write / draw ideas and influences:
