A Level Textile Design – *Activity 3*

Textile artists influence our techniques throughout the A Level Textile Design course. Combining the imagery from our primary sources and the Artists and Designers influence we go on to design our own ideas. Below is an example of looking at artist Samantha Russo <https://mygiantstrawberry.blogspot.com/2017/04/samantha-russo-sketchbookconversation.html>

From images of their work, you are to create Mark making designs based on their techniques.

Samantha Russo work

Mark Making inspired by her technique

Create a design layering all your elements of mark making together.

You can then create these on fabric using machine / and or hand stitching.
